H. B. WARREN & CO.,
SCALE MANUFACTURERS,
No. 763 CRAIG STREET,

WEST OF VICTORIA SQUARE,

Manufacturers of the following Scales:—

HAY, COAL, RAILROAD DEPOT, PORTABLE PLATFORM, UNION,
 GROCERS, BEAM AND STAND, EVEN BALANCE,
 AND BUTCHERS. ALSO, MANUFACTUR-
 ERS OF WARREN'S PATENT
 ICE CUTTER OR PICK.

There is not an article of manufacture that should be purchased with more care than a scale. Many persons are not aware of the delicate construction of a scale, and think to save money by purchasing where they can get the cheapest article. The idea is a delusion. You save in first cost and lose continually, through inaccurate weighing, more than the price of a first-class article. There is another class of persons who appreciate a good article, but are under the erroneous impression that all Canadian-made scales are of the cheap and worthless class. We are aware that there are a great many worthless scales being sold, but this is no reason for condemning all Canadian makes. There are exceptions, and we wish it distinctly understood that we make no pretence of making cheap scales, nor do we solicit the trade of those wanting cheap work. It has been our aim to make the best work and sell at prices that will authorize our employing the most skilled labor, use the best material, and use the most approved machinery in their construction. We have, at great expense, constructed tools and machinery, especially adapted to the work, and can supply the public with an article equal to the best American makes, at from 20 to 25 per cent. less in price. We are enabled to do so, not through any cheapening of work, but through the duty which they have to pay to enter their scales. We guarantee our work as represented or no sale. Price lists supplied on application.

Warren's Patent Ice Cutter

Is an article which no family can afford to be without. It has been said by many who have used them that they would not be without one for five dollars. With it you can cut just what you want without the waste usual in other ice picks. The trade supplied.

PREFACE.

WITH the design of maintaining the utility and efficiency of the MONTREAL DIRECTORY, and of adapting its size and bulk to the convenience of those consulting it, the Publishers have re-set the Alphabetical part and printed it in a small but clear type, giving greater prominence than hitherto, by the use of a bold Gothic letter, to the names of Advertisers.

In presenting to the public this issue of the Directory, the publishers trust that the feature above referred to, will meet with general approval, as it enables them more satisfactorily to adapt the book to the demands of our ever-increasing population.

It need hardly be said, that the same labor and effort to secure accuracy which the publishers have always put forth have not been withheld in the preparation of the present edition.

As usual the book will be found divided into four parts, viz.: (1) The Street Directory; (2) The Alphabetical Directory; (3) The Miscellaneous Information; and (4) The Advertisers Classified Directory.

This book is respectfully dedicated to its generous patrons — THE PUBLIC.
